## Keep your foods crisp, hot and handy with the Anets Crispy Food Warmer

The Anets Crispy Food Warmer holds "fry ahead" production. Efficient infrared heat keeps foods fresh and hot. An easily removable bulb guard protects the bulbs from damage. To accommodate a variety of products, the stainless steel hood is adjustable to three different heights. The unit fits on an Anets Drain Shelf creating a dump station without using any floor space. The Crispy Food Warmer is also available as an option on a Filtronic™ II filter system dump station.
